Your reference : 8881611 / VEB8881611

Dear Sir, Madam,

On 03-01-2022 your company was visited by a Kiwa VERIN inspector for an IKB inspection. Kiwa VERIN has now received the inspection findings from the auditor and has assessed them.

The assessment indicates that your company is fully compliant with the IKB Kip General Terms and Conditions and associated regulations. Your company has been issued with an IKB certificate and your KIP number is now included in the IKB Kip register. The IKB certificate is enclosed.

Based on the inspection findings, your company has been granted IKB status 1. The certificate is valid until the date shown on it. You must make sure that an inspection takes place several weeks before this date. Kiwa VERIN will contact you before the date. This ensures that your IKB certification continues uninterrupted.

If you have any questions about the above assessment, you can contact the undersigned ([certificatie@kiwaverin.nl](mailto:certificatie@kiwaverin.nl) or +31 (0)88-9984310).

With kind regards,
